REMARKS

50X1-HUM

On 25 May 1951, the former ammunition depot at Falkenhagen (N 53/V 44) was occupied by about 450 Soviet troops. About 250 of them wore black-bordered crimson epaulets and the remaining 200 wore black epaulets. A few days prior to 25 May, about 50 unarmed soldiers with black epaulets had gone to Fuerstenwalde on the Spree River by rail. They were escorted by two soldiers with submachine guns.
